

## Nuinsco Closes Private Placement

**Toronto, January 2, 2025** – Nuinsco Resources Limited (“**Nuinsco**” or the “**Company**”) (CSE: NWI) today announced the closing of a non-brokered private placement offering (the “**Private Placement**”), issuing 8,100,000 flow-through common shares (each, a “**Share**”) at a subscription price of \$0.005 per Share for aggregate proceeds of \$40,500 (the “**Offering**”). Proceeds from the Private Placement will be used to advance the Company’s Prairie Lake critical metals project located near Terrace Bay, Ont.

Each Share will qualify as a “flow-through share” within the meaning of subsection 66(15) of the *Income Tax Act* (Canada). The Shares will be renounced with an effective date no later than December 31, 2024, to the initial purchasers of the Shares in an aggregate amount not less than the gross proceeds raised.

None of the securities offered in the Private Placement have been registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

The Private Placement constituted a related party transaction within the meaning of Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* (“**MI 61-101**”) as certain insiders of the Company subscribed for 2,100,000 Shares. The Company is relying on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101, as the fair market value of the participation in the Private Placement by the insiders does not exceed 25% of the market capitalization of the Company in accordance with MI 61-101. The Company did not file a material change report in respect of the related party transaction at least 21 days before the closing of the Private Placement, which the Company deems reasonable in the circumstances in order to price and close the Private Placement in an expeditious manner. A material change report will be filed under the Company’s profile at [www.sedarplus.ca](http://www.sedarplus.ca), which may be sent to any shareholder upon request. All securities issued pursuant to the Private Placement will have a four month and one day statutory hold period.
